

Manufacturers Represented

Territory Covered*

Advanced Control Systems	www.acsatlanta.com an EFACEC company, PRISM™ Linux-based Supervisory Control And Data Acquisition (SCADA) and second source network RTU's for Other Manufacturer's Legacy SCADA Systems IA-MN-ND-NE-SD-WI-MT*
Barfield Manufacturing Co. A division of CMC	www.barfield.com Manufacturer of aluminum sectionalizing pedestals, secondary pedestals, meter/CT enclosures, transformer racks-platforms, capacitor racks, equipment mounts, standoff brackets & other mounting hardware IA-MN-ND-NE-SD-WI
 Bitronics A NovaTech Company	www.novatechweb.com/bitronics.cfm Manufacturer (USA) of utility-grade MultComm™ 4" round switchboard meters, PowerPlex™ digital power transducers and new 70 Series substation automation solutions for real-time monitoring and fault recording MN-ND-SD-MT*
CMC	www.cmclugs.com Connector Manufacturing Co. ~ full line manufacturer of aluminum and copper connectors, both mechanical and compression designs, secondary termination pedestals and enclosures MN-ND-SD-WI
 COOPER Power Systems	www.cooperpower.com Voltage regulators, electronic reclosers & sectionalizers, padmounted VFI switchgear, Edison relays, substation capacitor banks IA-WI*
DeWalch Technologies	www.dewalch.com secure meter locking rings and ringless meter socket locking hardware IA-MI-MN-ND-NE-SD-IL*-WI*
EDM International	www.edmlink.com Avistar™ AP-20 accurate phase identification system for overhead energized lines, 120V to 500KV and underground lines with elbow test points or exposed live parts in switchgear IA-MI-MN-ND-NE-SD-WI*
ERMCO Components, Inc.	www.ermco-eci.com Distribution transformer OEM components and renewal parts (HV bushing wells, LV bushings, oil-immersed LV circuit breakers, expulsion fuses, fuseholders, tapchanger & dual voltage switches) IA-MN-ND-SD-WI-IL*-MT*
GarrettCom	www.garrettcom.com Manufacturer of Magnum, Dymec, and DynaStar lines of Ethernet, Serial and WAN substation-hardened -40 to +85C UL-Listed switches-routers-converters. New CrossBow™ Secure Access Manager for NERC CIP compliance MN-ND-SD-WI*
H. J. ARNETT Industries	www.arnettindustries.com Pinpointer™ secondary fault locator, Super Beast™ and Mega Beast™ service testers, Surveyor™ "Black Box" power consumption checker, DC Scout™ DC battery ground fault locator IA-MI-MN-ND-NE-SD-WI-MT*
 AE Power Sys.	www.hvbi.com SF6 gas-insulated HV circuit breakers 69kV and higher, SF6 Gas Insulated Switchgear, large step-down power transformers 345KV and higher MN-ND-SD-WI
Marwell Corporation	www.marwellcorp.com Meter socket adapters, extenders, service limiters, A-base to Socket conversion adapters, right angle adapters, specialty adapters and accessories MN-ND-NE-SD-WI*
 Megger	www.megger.com ~ Complete Line of Test and Measurement Equipment including protective relay test sets, insulation, power factor, turns ratio, low resistance, battery test equipment, power quality measurement, high current test sets, test switches (formerly AVO International, includes Multi-Amp, Biddle, States, Metrosonics, Programms brands) MN-ND-SD-MT*
NightHawk Systems, Inc.	www.nighthawksystems.com Merlin CEO-700 200 Amp whole house disconnect activated via paging signal or manually, ON, OFF or 30 Min ON/OFF continuous cycle IA-MN-ND-NE-SD-WI-MT*
 NovaTech	www.novatechweb.com/orion.cfm Orion™ substation automation platform for protective relay and other IED communications processing, secure substation gateway (NERC-CIP), SOE and alarm recording MN-ND-SD-MT*
Peak Substation Services	www.peaksubstation.com packager of electrical and structural materials for Electric Utility distribution and transmission substations, 5 kV through 500 kV IA-MN-ND-NE-SD-UP-MT*
TEC-PowerMetrix	www.powermetrix.com Portable state-of-the-art and light weight field tester for Power Quality, Revenue Protection, Meter/Wiring Verification, CT Ratio & Burden Testing, Meter Accuracy & Calibration Testing IA-MN-ND-NE-SD-WI-MI*
Probewell Lab Inc.	www.probewell.com Model MT-1 portable tester for all common residential kWh meter configurations consisting of Forms 1S, 2S, 3S, 4S and 12S (Network) with Class ratings of 10, 20, 100, 200 and 320 amps. MN-ND-NE-SD-WI
 RITZ	www.ritzusa.com Ritz medium voltage instrument (CT & VT's) transformers 5-69KV MN-ND-SD-WI-IL*
 SENSUS	http://na.sensus.com/electric/ Sensus iCON™ electronic residential and network meters, APX™ polyphase meters, with or without FlexNet™ AMI module IA-MN-ND-NE-SD-WI
 Telemetric	www.telemetric.net wireless Micro-RTU (discrete I/O), DNP-RTM (monitor IED's using DNP3), and TVM1 & TVM3 Min/Max Voltage monitor for remote monitoring and control of equipment anywhere, access via the Internet or use SCADA-Exchange (interfaces Telemetric web site to your SCADA) IA-MN-ND-NE-SD-WI-MT*
Aclara 	www.AclaraTech.com Aclara Power Line Solutions Two Way Automatic Communication System (TWACS) uses power line communication technology for Automatic Meter Reading (AMR), Pre-Pay Metering, Load Control, Outage Assessment, Distribution Automation and other value-added services. MN-ND-SD-NE-IA-WI
 Virginia Transformer	www.vatransformer.com Liquid-filled power transformers to 100 MVA base rating (180 MVA top rating), 34.5 - 230 kV high side, with or without LTC, GSU transformers to 100 MVA base rating, 230 kV high side max, 3-Phase regulators to 50 MVA base (34.5, 46 or 69 kV), dry-type transformers 300 kVA to 15 MVA, 34.5 kV max IA-MN-ND-NE-SD-WI-MT*
